REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest a roller assembly for use in agricultural machinery including at least one sealing element positioned outboard of each side of a bearing, wherein the sealing element on one side of the bearing has an elastomeric sealing portion and the sealing element on the other side of the bearing formed as an elastomeric plug with outward circumferential surfaces that are inclined with respect to one another and that intersect to form a point, and wherein a groove in the exterior portion is adapted to receive the point therein, in combination with all of the other claim limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc Jimenez whose telephone number is (571) 272-4530. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bryant can be reached on (571) 272-4526. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
